WHY YOU SHOULD JOIN THE PWVTA FOR 2010

At a time when rent-stabilized apartments and affordable housing are disappearing from New York City, and neighborhoods are disrupted by excessive development, it is especially important that you join with other residents to protect your home.

The PWVTA has helped tenants in the Columbus Avenue buildings with problems of rent overcharges, poor maintenance and security. We have helped legitimate and long-term tenants in the Central Park West buildings when they have been threatened with an eviction process. We have helped to ameliorate the noise and disruptions of long-term construction. We have engaged elected officials and city departments to help us have input into what happens in our immediate neighborhood.

One of the great benefits of being part of the PWVTA is in getting to know your neighbors. We also join with other tenants' associations across the city and state to advocate for stronger rent-stabilization laws and protections for tenants. Sometimes we organize things just for fun, such as flea markets, trips to Atlantic City, dinners, picnics, and other neighborly get-togethers.

The Park West Village Tenants' Association is your organization. The work that is done on behalf of members benefits other residents, and is done entirely by volunteers. The more members we have on record, the greater the strength your association presents when dealing with the landlord, with other housing authorities, and city departments and officials.

Whether you're a newcomer or former member, we hope you'll join us now!
